BOTANICAL SOCIETY OF EDINBURGH

TRANSACTIONS

Vol. 44 1982—1985

Editors: G. Hadley, I.J. Alexander, N.M. Gregory

Published by
THE BOTANICAL SOCIETY

CONTENTS

Part 1: issued November 1982

Page

1 Habitat Specialisation in Plants of Cold Climates. By R.M.M. Crawford
13 Palynological Evidence for Lake-level Changes during the Flandrian in Scotland. By A.M. Mannion
20 Growth of Oats, Beet and Rape in Four Serpentine Soils. By John Proctor and David A. Cottam
27 The Spartina Communities of the Cromarty Firth. By J.S. Smith
31 The Recent Spread of Butterbur in Lewis. By Robert E.L. Naylor and R.H. Cumming
35 An Indicator Species Analysis of Map Squares and Vegetation in the Cairngorms. By N.G. Bayfield, M.G. Penny and S.M. Moyes
49 The Vegetation of an Abandoned Shieling in Deeside, Aberdeenshire. By D. Welch
57 The Anaerobic Retreat as a Survival Strategy for Aerobic Plants and Animals. By R.M.M. Crawford
65 Species-rich Scrub Communities and their Soils on Hoy, Orkney. By E.L. Birse
73 Notes on the Scottish Flora
75 Proceedings of the Society, 1981-82

Part 2: issued November 1983

Page

79 The Mythology of Taxonomy. By V.H. Heywood
95 Saltmarshes of the Upper Forth Estuary. By John Proctor, Michael W. Fraser and Jill Thompson
103 The Origin and Distribution of *Senecio cambrensis* Rosser in Edinburgh. By Richard J. Abbot, Henry J. Noltie and Ruth Ingram
107 Vegetation and Soil Factors on the Jerah Mine, Scotland. By Angela Heaney and John Proctor
115 Variation in *Poa annua* L. from the North of Scotland. By Robert E.L. Naylor, A.F. Abdalla and A.D. McKelvie
127 Additions to the Fungus Flora of the Hebrides. By Roy Watling
139 The Lichens of Rhum. By O.L. Gilbert
151 Frost Damage to Emerging Fronds during Bracken Cutting Experiments. By J.E. Lowday
157 The History of Dickie's Fern in Kincardineshire. By Peter Marren
165 Proceedings of the Society, 1982-83

Part 3: issued November 1984

Page

169 Some Mire Systems in Japan. By C.H. Gimingham
177 The Braco Pinewood. By C.M. Blaxter and John Proctor
187 Limnology and Macrophyte Vegetation of a Deep, Clear Limestone Lake, Loch Borralie. By D.H.N. Spence, A.M. Barclay and E.D. Allen
205 Scottish Birchwoods and their Conservation — A Review. By K.J. Kirby
219 Seasonal Changes in Populations of the Orchid *Goodyera repens* Br. and its Mycorrhizal Development. By Clare Alexander and I.J. Alexander
229 Aquatic Angiosperm Communities from Lochs on Rhum. By Andrew M. Farmer
237 Larger Fungi Around Kindrogan, Perthshire. By Roy Watling
261 Vegetative proliferation and vivipary of Scottish Grasses. By Ralph Harmer

Part 3: continued

269 Population size and Reproduction of *Gentiana nivalis* at Ben Lawers N.N.R. By P.M. Batty, B.D. Batty and G.R. Miller
281 The Cupule-Carpel Theory. A defence. By A.G. Long
287 Proceedings of the Society, 1983-84

Part 4: issued December 1985

Page

291 Plant Diversity and Change in a Species-rich Dune System. By Arthur J. Willis
309 Seasonal Ecology of Littoral Epiphytic Diatoms on Great Cumbrae Island. By R. Huang and A.D. Boney
323 Further Observations on a Callunetum Intensively Grazed by Mountain Hares (*Lepus timidus* L.). By D. Welch and D. Scott
335 The Subtidal Marine Algal Vegetation of Sullom Voe, Shetland, Reassessed. By Ian Tittley, W.F. Farnham, R.L. Fletcher and D.E.G. Irvine
347 A Study of Lichens in Relation to Dune Succession at Tentsmuir Point National Nature Reserve, Fife. By Pauline B. Topham and C.J.B. Hitch
357 The Saltmarsh and Brackish Swamp Vegetation of the Fife Peninsula. By Simon J. Leach and Peter H. Phillipson
375 The Use of Mosses in Modern Pollen Studies at Morton Lochs, Fife. By P.R. Cundill
385 Proceedings of the Society, 1984-85
